Discover the Great NEW Features

Get Organised
Organise, play and stream all your personal files. Titles and covers are automatically added to your movies and TV shows.

1-Click Black Bar Remover
Footage not widescreen? Just use the 1-Click 'Black Bar Remover' to boost your non-widescreen video & photo footage (4:3, 3:2, 1:1, 2:3, 9:16).

Enhanced Media Library
Organising your files is now even easier with the enhanced media library. Easily Find & Play files based on Places & Faces.

Complete your project in next to no time. Burn video discs faster and in higher quality.

+ EXCLUSIVE in Nero Platinum 2018

DuplicateManager
Your own photo manager that prompts you when you have duplicate photos & suggests the best one to keep. The result – more space on your hard drive.

Vertical Video Ready
12 cool design templates allow you to create amazing vertical video movies from your smartphone shots or video clips.

Hollywood Style Movie Creation
18 new movie design templates incl. drag & drop effect-zones and new disc menus allow you to create blockbuster looking home movies!
