

NEW!

Nero Platinum now comes in 2 flavors:

The license makes the difference!

1 year always up to date with Nero Platinum **365** or the classic one-time purchase with Nero Platinum **Unlimited**.

Platinum
7in1 Suite

Feel the Power of the new Nero Platinum Suite:

1 Create videos
like a pro
in 4K

2 All your files
always in the
right format

3 Stream and
organize your
media

4 We protect
your important
data

What's NEW?

- ✓ **Launcher Nero Start:** New, interactive launcher with an innovative template based start area covering all major use cases
- ✓ **MediaHome:** New and improved intelligent face recognition for an even faster and more accurate detection of portraits, persons and groups
- ✓ **SecurDisc 4.0:** Highest data security, now also for USB sticks
- ✓ **PhotoSnap & Effects:** Create unique moods in your pictures using a variety of photo filters
- ✓ **USBxCOPY:** The easiest way to quickly and reliably duplicate USB sticks
- ✓ **FaceBeautifier:** Enhance your self-portraits with just one click like a pro, thanks to Nero AI
